Rolling cases

AIR™ is available in all of the configurations shown above. The finishes are sophisticated: canopies are bonded metal, wings are frosted acrylic, countertops are finished in natural birch or textured "silver" laminate. Headers can be finished in either bonded metal or frosted acrylic.

AIR™ ships in as little as five working days. Send us your camera ready art. We'll ship your exhibit with graphics.

AIR™ is brought to you by TideLine Design, Inc., a leading exhibit industry innovator.
