Introduction to Display ONE Exhibit System

Introducing the **NEW** Display ONE Tradeshow Booth and Exhibit Packages

When “versatility efficiency and affordability” describe your tradeshow booth requirements look to Display ONE to provide the solutions. We invite you to review the packages and accessories shown within and contact us today!

10' single panel and presentation podium shown in anodized silver finish.

30"x 94" Display ONE single and presentation podium shown in anodized black finish.

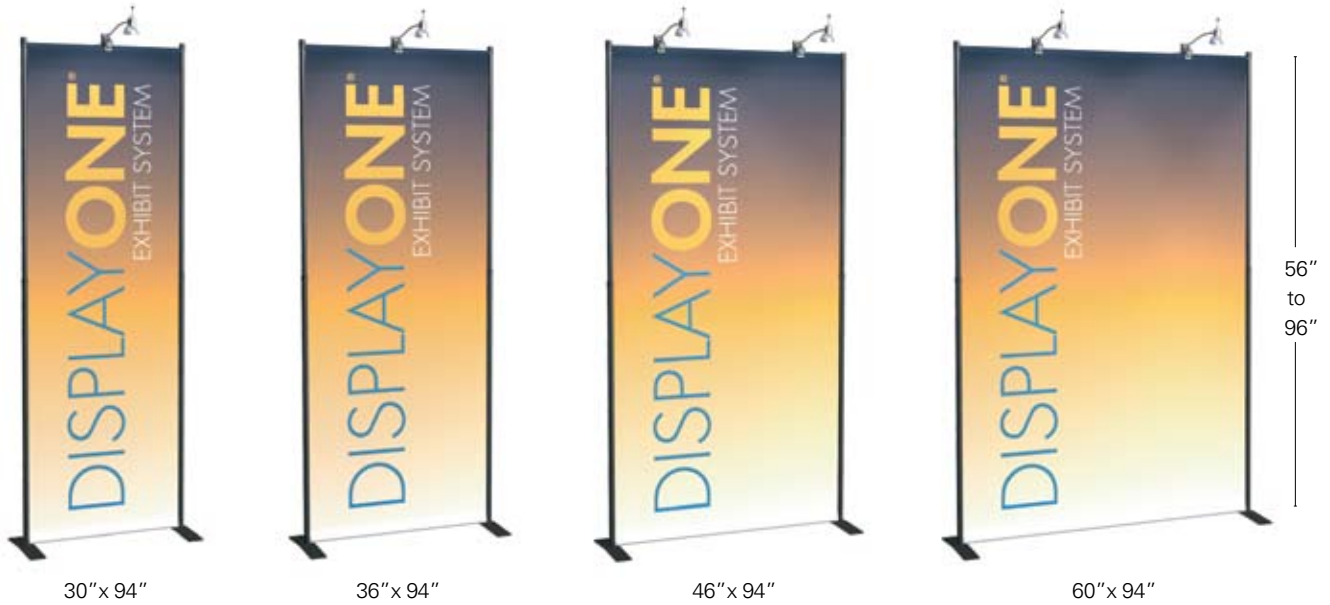

8' triple panel shown in anodized black finish.

Each package has been carefully designed to fit the two most common show space dimensions: 8' or 10' booth space. Display One's unique components can be connected to form larger or smaller displays as space requirements change.

Display One Exhibits assemble in just minutes without tools. Our stands, cases, graphics, lights, and accessories work perfectly together. The system is designed for digital and screen printed roll-up banner panels as well as Velcro®-compatible fabrics. Change graphics quickly and easily to attract your target audience. Display One stands accommodate single or double-sided presentations. Our experienced team will guide you through every step. Call us today, or go online to www.displayone.com.

Display ONE Exhibit System - Individual Display Stands

Display ONE stands

Single Panel Unit	Total	Digital banner panels (one-sided)	Total
30" wide x 94" tall Display One Stand	\$349.00	31" wide x 94" tall (file set-up included)	\$260.00
36" wide x 94" tall Display One Stand	\$360.00	37" wide x 94" tall (file set-up included)	\$300.00
46" wide x 94" tall Display One Stand	\$390.00	47" wide x 94" tall (file set-up included)	\$360.00
60" wide x 94" tall Display One Stand	\$515.00	61" wide x 94" tall (file set-up included)	\$450.00

Available in Matte Black or Silver anodized finishes. Note: Lights are suggested, but not included with the price.

Arched, powder coated aluminum feet w/ locking helix stud for tool free connectivity and ease of assembly.

The telescoping upright tubes are locked into a fixed position through the DownStop lock which allows for unlimited height adjustment from 56" to 96" tall.

Ringbars and locking helix bolts allow simple connection of multiple units for larger displays.

Matte Black anodized finish. Call for Silver pricing. Note: Lights are suggested, but not included in price.

Connections such as the 'Groove Grip' crossbar and the 'X-press' snap & lock foot system make set-up quick and easy.

The telescoping upright tubes are locked into a fixed height through the 'DownStop' lock which allows for unlimited adjustment.

The Messenger-X display stand is an inexpensive 'stand-alone' unit that doesn't connect to other stands.

Messenger-RTR Retractable Banner Stands

The Premium 3386 Retractor with adjustable tension is extra sturdy due to its wide footprint. With the addition of a telescoping pole, the Premium 3386 can easily do the job of a tabletop display or a stand alone floor unit. Put multiple units next to each other for a tradeshow display that can easily be set up or taken down, thanks to the retractable graphics. With the options of the Presenter or the AD-Vantage, Messenger-RTR has the ability to meet your every need.

Portfolio™ Folding Presentation Displays

Lightweight & portable the Display ONE PortFolio™ series is ready to go when you need it. Perfect for all your sales, marketing, recruiting, and presentation display needs. The outside is a rigid, ABS thermo-formed exterior shell, which can be customized with your color theme and logo. The interior is our proven GatorBoard®, with a wear resistant Tempo® fabric, then framed in a sturdy, temperature resistant PVC. Headers available for all sizes.
